The NLCGA Order of Merit is based on the EWGA Order of Merit for English lady amateur golfers. It was an innovation for the 2008 Season. The intention is to track the personal achievement of players throughout the playing season, to encourage participation at all levels and to highlight the top performing players.

The Order of Merit is a ranking system that incorporates the results from a select list of competitions. Points will be awarded for entry and positional points will be weighted according to the value of the event (based on the EWGA format). All strokeplay results will be based on the gross score. The Order of Merit runs from 1st March to 31st October 2010.

Players need to notify the Organiser with their results from any National Scratch Open that they participate in within 15 days of the competition.

The Order of Merit on the NLCGA website will be updated at intervals during the season.

The final ratified rankings for the NLCGA 2010 Order of Merit will be announced at the AGM in November 2010 and on the NLCGA website. A presentation will be made to the winner.
